The Hillcroft-Meacham Sale

Including the Complete Dispersion of
H. J. MEYER'S HILLCROFT HERD

Tuesday, November 20, 1956
HILLCROFT FARM

Near
ELDORADO ILLINOIS

From Eldorado, go east $2\frac{1}{2}$ miles, then turn north on gravel $2\frac{1}{2}$ miles to farm sign. Mail address – H. J. Meyer, Equality, Illinois.

ON THE COVER – Hillcroft Miss Ramsden 3d, grand champion female, 1955 American Royal; reserve junior champion, 1955 International. Her sire, dam, and two full sisters sell in this dispersal.

General Information

DATE AND PLACE – Thursday, November 20, 1956, starting at 12:30 p.m., C.S.T. At Hillcroft Farm. From Eldorado go east $2\frac{1}{2}$ miles, then turn north on gravel $2\frac{1}{2}$ miles to farm sign.

MAIL ADDRESS – H. J. Meyer, Equality, Illinois.

TELEPHONE – Eldorado 32 F 14.

MAIL BIDS – We want you to attend this sale if you can possibly do so. If you cannot come, you may rest assured your bids will be faithfully executed by Allan C. Atlason, Executive-Secretary, American Shorthorn Breeders' Association, 7 Dexter Park Ave., Chicago, 9, Illinois; the sale manager, Don Longley, The Shorthorn World, 16 So. Locust St., Aurora, Illinois, or to any of the auctioneers.

AUCTIONEERS – C. D. Swaffer, Tulsa, Oklahoma; H. P. Miller, Danvers, Illinois.

HEALTH – All animals sold subject to a 60-day retest for tuberculosis. Every animal in this sale will have passed a clean test for T.B. and Bangs within 30 days of the date of the sale, with the exception of under-aged officially vaccinated animals, in which case a vaccination certificate will be delivered. Vaccinated animals were pre-tested clean before vaccinated. Calfhood vaccination has been practiced in the Hillcroft and Koreandale herds for many years.

TERMS – The terms of this sale are cash unless other arrangements are made with the seller prior to the sale. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction and before the animals are removed. All stock will be at the buyer's risk as soon as bid off, but the owners will assist in loading on cars or trucks in compliance with instructions from the purchaser.

The transaction constitutes a contract between the buyer and seller of each lot. The auctioneer, clerk and sale manager have been employed by the owners for specific tasks not connected with the handling of the cattle or the condition of the premises, and they accept no liability for the contract or for any accidents that may occur. The owners will make every effort to provide for the comfort and safety of those attending the sale, but they can accept no liability for injuries that may occur. Accidents at cattle sales are rare, but all attending must do so at their own risk. Footnotes were written by the owners, or written from information provided by the owners.

GUARANTEE – All entries except those from Hillcroft Farm will be sold under the Standard Guarantee of the American Shorthorn Breeders' Association. As is the custom in dispersions, the Hillcroft cattle will be sold without guarantees. Accurate records on the productivity of every animal have been kept and all information will be made available. The herd is a fine working unit and every mature animal selling has been a regular producer.

*The home of
Mr. and Mrs. H. J. Meyer
on Hillcroft Farm.*

The name Hillcroft is known throughout North America as a source for top Shorthorn seed stock. This herd was operated for many years by Dr. E. M. Travelstead. After selling his farm to H. J. Meyer, in the spring of 1955, Dr. Travelstead held a dispersion attended by breeders from many states. The cattles were sold into many states from Georgia to Texas. . .from Mississippi to Wisconsin.

The cattle from the Hillcroft dispersion went into strong hands and have done well. Nearly everyone is familiar with the record of Hillcroft Miss Ramsden 3d, sold in the dispersion to L. E. Mathers & Son, Mason City, Illinois, who have exhibited this heifer to many championships, including the grand championship of the American Royal and the reserve junior championship of the 1955 International.

Mr. Meyer was the leading buyer of the Hillcroft dispersal purchasing 14 female lots and the herd sire, Hillcroft Good News. Now Mr. Meyer has sold the farm, must vacate, and the cattle must be sold. Their entries represent the cattle purchased in the Hillcroft dispersion, plus the produce of these since that time. Per an agreement with Dr. Travelstead upon the purchase of the farm, Mr. Meyer was allowed to continue the herd under the name of Hillcroft.

Joining this sale, is the nationally known firm of Charles M. Meacham & Sons, Morganfield, Kentucky. Those who have seen the Koreandale productions at the Kentucky National Futurity Show and Sale need no introduction to the quality of the productions. We have been urging the Meacham's, for a long time, to either hold a production sale of their own, or join in such a sale with another breeder. This is the largest and strongest draft ever to leave their farm, featuring, of course, blood of their famous sire, Marshall Monty.

Smaller consignments will also be sold from the good herds of Leo Luckett, Waverly, Kentucky, a Polled Shorthorn breeder, and Lloyd Saxe & Son, Albion, Illinois. These cattle are also worthy of traveling a long distance to buy.

DON LONGLEY
The Shorthorn World
Sale Manager

The famous CALROSSIE GOOD NEWS, one of the greatest sires of the last decade in in Scotland. At the advanced age of eight years, he was recently sold to the famous Bapton herd in Scotland. A son, three grandsons, and seven granddaughters sell in the Hillcroft dispersion.

HILLCROFT GOOD NEWS -- Imported in dam, you don't have to talk much about your herd bull when he can produce champions, male and female. His first calf sold for \$2375. His next calf was reserve champion at Kentucky Futurity in 1955. We are selling several bulls and heifers that are half-brothers and sisters to these. You will see a lot of top calves by him sale day. His dam is a very good Augusta imported cow, who also sells. He is thin, favors one foot a bit, but he can still go out, serve a cow, and has a lot of use ahead of him.

KINELLAR MISS RAMSDEN 35th -- The imported cow of the day. Never has produced anything but an outstanding calf. She is the dam of Hillcroft Miss Ramsden 3d, 1955 American Royal grand champion, International reserve junior champion, and 1956 National show reserve senior champion for Les Mathers. She is the best cow to be sold this year. She has a spring heifer calf we believe is better than the Mathers heifer, and we will probably split her away and sell the calf by herself. Another great full sister to Hillcroft Miss Ramsden 35th sells as Lot No. 14. Only in a dispersal would such a female family be offered.

HILLCROFT MISS RAMSDEN J -- A full sister to Hillcroft Miss Ramsden 3d, American Royal grand champion, International reserve junior champion. She is the same kind of heifer as Hillcroft Miss Ramsden 3d was at the same age. For a summer yearling show heifer, or a brood cow that will be the top producer in your herd, this selection would be hard to beat. Open.

Scene at Saltoun in Scotland. Two imported cows, lots 15 and 17, from this famous herd sell in the Hillcroft dispersion.

HILLCROFT BUTTERCUP -- A good roan cow by Hillcroft Good News. These young cows will make good buys for anyone. Outstanding...we will keep her open for someone.

Daughters of Hillcroft Good News sold in the Hillcroft Dispersion in June, 1955.

A Hillcroft Champion

HILLCROFT MISS RAMSDEN 3d.
Grand champion female, 1955 American Royal, Kansas City.
Reserve junior champion, 1955 International.
Reserve senior champion, 1956 National Shorthorn Show, Memphis.
Owned and exhibited by L. E. Mathers & Son, Mason City, Illinois.

A Koreandale Champion

K F GOLDEN CHAIN 10th.
Grand champion female, 1953 Kentucky National
Futurity Show and Sale.
Purchased for \$1,275 by Almahurst Farms, Nicholasville, Kentucky.

Even if this were not a complete dispersion of the Hillcroft herd, a Hillcroft-Koreandale sale would be one worth traveling a long way to attend. The list of herds that contain females bred at Hillcroft or Koreandale is most impressive . . . L. E. Mathers & Son; Kickapoo Farms; W. N. Anderson; Scofield Ranch; W. E. Giddens; Almahurst Farms; to mention just a few.

Here is an opportunity for you to work the kind of improvement that pays off in better calf crops for years to come.
